August 2011.

The Wheel Field, Wolverhampton Road, Codsall.

Following South Staffordshire Council's poor audit of the Wheel Field as a local amenity, the Parish Council is seeking ideas from residents as to how the field might be improved to better serve the needs of the village.

The aim is to make it more accessible and user friendly with minimal cost to the taxpayer.

Many suggestions have already been received but it is most important that The Parish Council receives as much feedback as possible so as to make the field more available to the community as a whole.

The land is in a prime position in the centre of our village and it may be that it can be used for several different purposes. It is certainly large enough.

Your suggestions are vital. Write to me, The Clerk to the Parish Council, at the address above. I will pass your suggestions to the Parish Council and, in the near future, they will create a plan, which satisfies the wishes of the community.

Thank you for taking the trouble to read this letter and for your suggestions.

Please forward your suggestions to be received by the 15th September 2011.

Peter Serieys
Clerk to the Council.
